Your information will only be made available to school employees where there is a need to investigate the recording. Only employees authorised by school management may have access to this footage.

Who do we share your personal data with?

We will only share CCTV footage with other agencies where there is a lawful reason to do so - for example to share with the police for the purposes of crime prevention or to assist in locating an absconding pupil.

How long do we keep your personal data for?

We will retain your information in accordance with our Records Management Policy and Retention Schedule. The retention period for most of the information we process about you is determined by statutory obligations. Any personal information which we are not required by law to retain will only be kept for as long as is reasonably necessary to fulfil its purpose.

We may also retain some information for historical and archiving purposes in accordance with our Records Management policy.

International transfers of data

Although we are based in the UK, some of the digital information we hold may be stored on computer servers located outside the UK. Some of the IT applications we use may also transfer data outside the UK.

Normally your information will not be transferred outside the European Economic Area, which is deemed to have adequate data protection standards by the UK government. In the event that your information is transferred outside the EEA, we will take reasonable steps to ensure your data is protected and appropriate safeguards are in place.

- to request that your personal data is erased where there is no compelling reason for its continued processing.
- to request that the processing of your personal data is restricted.
- to object to your personal data being processed.

Please be aware that usually pupils are considered to have the mental capacity to understand their own data protection rights from the age of 12 years old. The school may therefore consult with a pupil over this age if it receives a request to exercise a data protection right from a parent.
